

## Swimming Provision at Conifers 2020

The National Curriculum states that children should be able to:

- Swim confidently , competently and proficiently over a distance of at least 25m
- Use a range of strokes effectively (front crawl, Backstroke, Breast stroke)
- Perform safe self-rescue in different water based situations

Currently, Conifers provides ten weeks of swimming teaching in Year 3 during the summer term and five weeks of swimming teaching in Year 4 in the spring term. The additional swimming in Year 4 was brought in for 2018.

This table below shows current attainment in swimming in Year 6:

<b>Percentage of children who can swim 25m confidently</b>	47%
<b>Percentage of children who can use a range of strokes effectively</b>	32%
<b>Percentage of safe self-rescue in different water based situation</b>	42%

At present we do not currently use our Sport Premium budget to pay for additional swimming provision.
