

Our first meeting took place on the 28th September. We introduced ourselves and brainstormed what being part of school council meant. We then completed a game whereby the children had to match the responsibilities to the roles.

On Wednesday 3rd October, school council were introduced in the KS2 assembly. The assembly was about democracy and the children having a voice. The Year 6 councillors made speeches for the assembly about how school council is about having a voice and that we are here to listen.

Our next meeting is on the 5th October. For this meeting, the children have prepared speeches and are putting themselves forward for Chair, Vice Chair and secretary. We will then take a vote.
